

SAPR Program Victim Information – First Contact Form

Note to the Victim Advocate:

The following information should be collected by the Victim Advocate (VA) during the initial contact with the victim, and the original copy should be turned over to the SARC upon completion. The information provided will assist the SARC in meeting the required data elements for the DOD Defense Case Record Management System (DCRMS), or the SAPR Interim Reporting Solution worksheet until DCRMS becomes operational. After the information is entered into the database, the original form will be destroyed. The VA should not keep any personal record of this form or its contents.

This information should be collected in such a way as to prevent overwhelming and/or intimidating the victim. *The VA should gather these data only after addressing the victim's immediate safety concerns and needs, and after carefully explaining that these data are only being sought for tracking purposes. If a victim chooses not to disclose one of the data elements, the victim should not be pressured to provide an answer.* Emphasize to the victim that these data are only being sought for tracking purposes. The release of information will be limited to those personnel who would have a legitimate need to know under the Army SAPR Program policy guidelines.

VA should hand-off the SAPR Program Victim Information – First Contact Form to the SARC on the first duty day following the initial contact.

The SARC should enter the data on the form into DCRMS (or the SAPR Interim Reporting Solution worksheet until DCRMS becomes operational) within 2 duty days of receiving the form, and then destroy the form by cross-cut shredding or mutilation sufficient to preclude recognition or reconstruction of the form.

IMPORTANT THINGS TO REMEMBER

1. Be sure to get contact information for the client, so the SARC can follow-up with the client.
2. Record the names of any personnel (i.e. Law Enforcement, CO/1SG, Healthcare Provider, Chaplain, etc.) who came in contact with the client on the UVA Continuity Form to pass on to the SARC.
3. PROTECT the client's PRIVACY in all cases- limit information to personnel who have a LEGITIMATE need to know.
4. PROTECT the information in this packet and pass it on to the SARC as soon as absolutely possible.

SAPR Program Offender Information Worksheet

Worksheet Instructions: This form should be used in unrestricted cases by the VA and/or the SARC to obtain offender information required for DCRMS (or interim solution reporting workbook maintained by the SARC until DCRMS is placed into operation). The information requested on this form can either be obtained directly from the victim during the initial contact, or through other channels such as the Sexual Assault Review Board (SARB), CID, or other response agencies involved in the investigation. Every attempt should be made to obtain this information during the initial contact, as it is CID policy not to release offender data until a case is closed and founded. VAs and SARCs should use sensitivity when collecting this information and not engage in a "fact finding" interview.

The data on the form should NOT be entered into DCRMS (or interim solution reporting workbook maintained by the SARC until DCRMS is placed into operation) until and if the case is closed and founded by CID. The worksheet should be maintained in the victim's case file until the case is closed. If the case is determined to be unfounded by CID, the SARC should destroy the form by cross-cut shredding or mutilation sufficient to preclude recognition or reconstruction of the form within 2 duty days of receipt of this information from CID. If the case is founded by CID, the SARC should obtain any missing information from CID, and then upload the information into DCRMS (or interim solution reporting workbook maintained by the SARC until DCMRS is placed into operation). The SARC should then destroy this form by cross-cut shredding or mutilation sufficient to preclude recognition or reconstruction of the form within 2 duty days of receipt of this information from CID.

VICTIM REPORTING PREFERENCE STATEMENT

(Please read Privacy Act Statement before completing this form.)

1. REPORTING PROCESS AND OPTIONS DISCUSSED WITH THE VA OR SARC

a. I, (Full name) Amanda Lorette, had the opportunity to talk with a Victim Advocate (VA) or a Sexual Assault Response Coordinator (SARC) before selecting a reporting option.

b. UNRESTRICTED REPORTING - REPORTING A CRIME WHICH IS INVESTIGATED.

INITIALS

AL

I understand that law enforcement and my command will be notified that I am a victim of sexual assault and an investigation will be started. I understand I can receive medical treatment, advocacy services, and counseling, and an optional sexual assault forensic examination to collect evidence if indicated. The full range of victim protection actions may be available to me, such as being separated from the offender(s) or receiving a military protective order against the offender. Any misconduct on my part may be punished, but at the discretion of the commander may be delayed until after the sexual assault charge(s) is resolved.

c. RESTRICTED REPORTING - CONFIDENTIALLY REPORTING A CRIME WHICH IS NOT INVESTIGATED.

AL

(1) I understand that I can confidentially receive medical treatment, advocacy services, and counseling, and an optional sexual assault forensic exam to collect evidence if needed, but law enforcement and my command will NOT be notified. My report will NOT trigger an investigation; therefore, no action will be taken against the offender(s) as the result of my report.

AL

(2) I understand that there are exceptions to "Restricted Reporting" (see back). If an exception applies, limited details of my assault may be revealed to satisfy the exception.

AL

(3) I understand that if I have not made an "Unrestricted Report" within 1 year of any evidence collected, it will be destroyed and no longer available for any future investigation or prosecution efforts.

AL

(4) I understand that all state laws, local laws or international agreements that may limit some or all of DoD's restricted reporting protections have been explained to me. In _____, medical authorities must report the sexual assault to _____.

AL

(5) I understand that the SARC will provide information that does not reveal my identity, nor that of my offender, to the responsible senior commander within 24 hours of my "Restricted Report" or within 48 hours if at a deployed location and extenuating circumstances apply. This information is required for the purposes of public safety and command responsibility.

AL

(6) I understand that by choosing "Restricted Reporting," the full range of victim protection actions may not be available, such as being separated from the offender(s) or receiving a military protective order against the offender(s).

AL

(7) I understand that if I talk about my sexual assault to anyone other than those under the "Restricted Reporting" option (SARC, sexual assault victim advocate, or healthcare providers), and chaplains, it may be reported to my command and law enforcement which could lead to an investigation.

AL

(8) I understand that I may change my mind and report this offense at a later time as an "Unrestricted Report," and law enforcement and my command will be notified. Delayed reporting may limit the ability to prosecute the offender(s). If the case goes to court, my victim advocate and others providing care may be called to testify about any information I shared with them.

AL

(9) I understand that if I do not choose a reporting option at this time, my commander and investigators will be notified.

PRIVACY ACT STATEMENT

AUTHORITY: Section 301 of Title 5, United States Code. and Chapter 55 of Title 10, United States Code.

PRINCIPAL PURPOSE(S): Information on this form will be used to document elements of the sexual assault response and/or reporting process and comply with the procedures set up to effectively manage the sexual assault prevention and response program.

ROUTINE USE(S): None.

DISCLOSURE: Completion of this form is voluntary; however, failure to complete this form with the information requested impedes the effective management of care and support required by the procedures of the sexual assault prevention and response program.

	b. Restricted Report. I elect Restricted Reporting and have decided to confidentially report that I am a victim of sexual assault. My command will NOT be provided with information about my identity. 3. RESTRICTED REPORT CASE NUMBER (If applicable)

4.a. SIGNATURE OF VICTIM 	b. DATE (YYYYMMDD) 20080901
5.a. SIGNATURE OF SARC/VICTIM ADVOCATE 	b. DATE (YYYYMMDD) 20080901

6. I have reconsidered my previous selection of "Restricted Reporting," and I would like to make an "Unrestricted Report" of my sexual assault to authorities for a possible investigation.

a. SIGNATURE OF VICTIM	b. DATE (YYYYMMDD)
c. SIGNATURE OF SARC/VICTIM ADVOCATE	d. DATE (YYYYMMDD)

EXCEPTIONS TO "RESTRICTED REPORTING"

2. Command officials or law enforcement to prevent or lessen a serious and imminent threat to the health or safety of the victim or another person.
3. Disability Retirement Boards and officials when required for fitness for duty for disability retirement determinations. Disclosure is limited to only that information necessary to process the disability retirement determination.
4. SARC, victim advocates or healthcare provider when required for the direct supervision of victim services.
5. Military or civilian courts when ordered, or if disclosure is required by Federal or state statute.
